## ***A Dedication To Dedication***

### ***John G. Maher***

We dedicate this year's 1980 *Merlin* to Mr. Maher as an indication of the gratitude we feel toward him.

During the past thirteen years his invaluable suggestions and decisions have contributed to making student life educationally profitable and enjoyable.

Under his leadership the west wing was constructed including seventeen classrooms, the back gym, and the auto and power shops. The institution of compensatory education courses, senior electives, and the eight period day were new to our school. Girls' athletics took a tremendous turn for the better with coaches and teams being financially represented compatibly to the boys' athletics.

At home Mr. Maher relaxes while enjoying the art of stained glass. His office is decorated beautifully with examples of his craftsmanship. He is also an avid camper, preferring traveling to New Hampshire during the summer months and Williamsburg in the fall.

Once again we would like to thank you.

## *In Appreciation*

***Diana Bott***

***Michael Gollnick***

***Sue Williamson***

As we, the class of 1980, prepare for graduation, we would like to take a moment to remember the three special people that have filled the last four years, our advisors, Mr. Michael Gollnick, Mrs. Sue Williamson, and Mrs. Diana Bott.

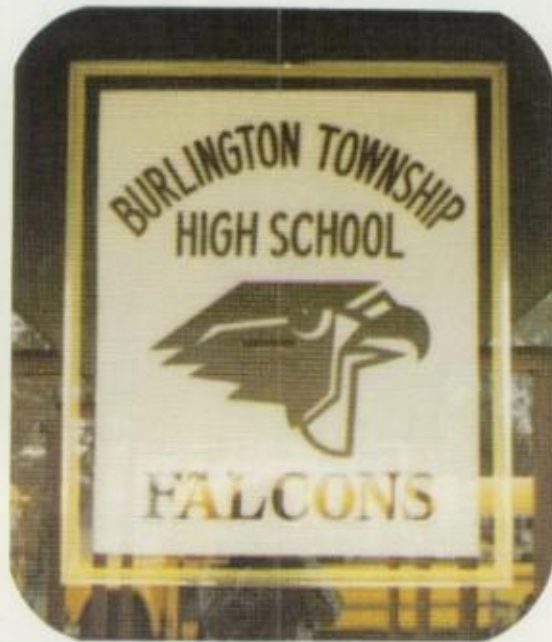

Although too few of us have known you in the classroom, we all will never forget the inspiration and guidance you have supplied us.

The success of our activities: the cotillion, homecomings, prom, senior trip, and others have all been enhanced through your direction and support.

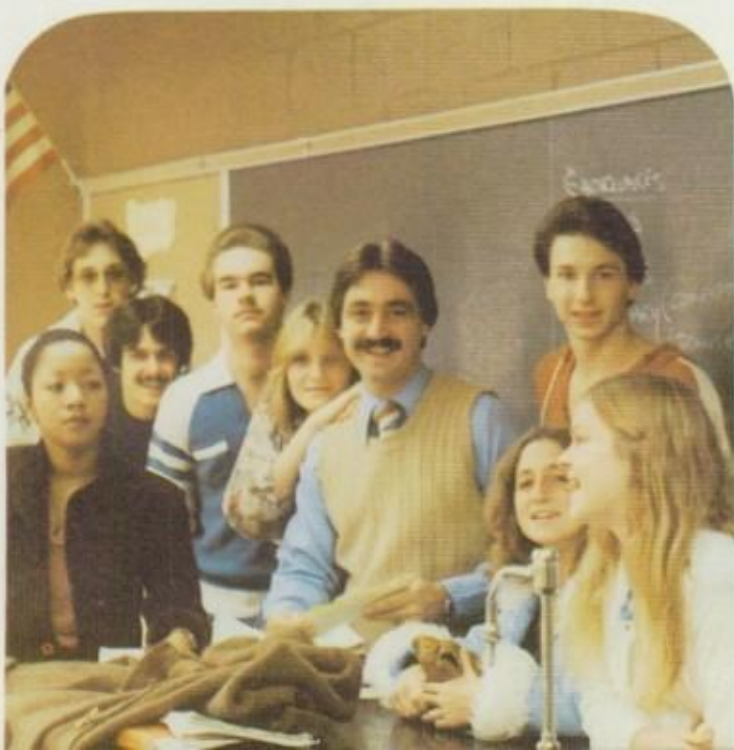

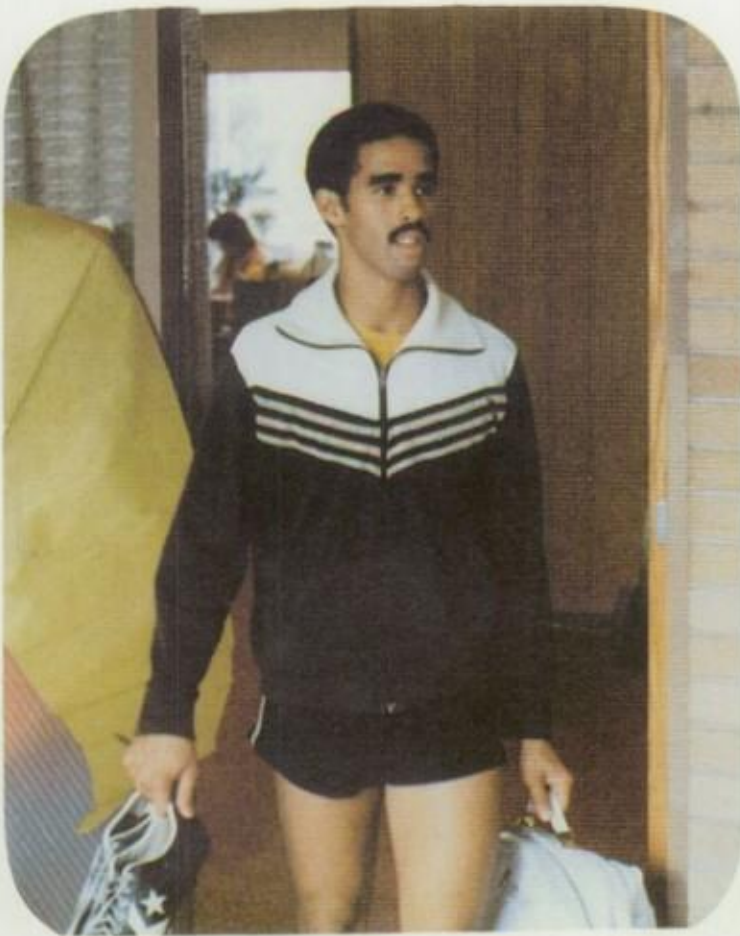

It is with deepest sincerity that we express our appreciation.  
THANX!

# *Nelson Brunelli*

## *The Brazilian "Nut"*

Everyone saw Nelson as an exchange student. True, that he was but he was much, much, more. We all got to know him and he knew us. His humor and his personality gave us all something to smile about. Although he has returned to Brazil, we will all remember what great person he was for a long time to come.

The 1979 baseball team advanced five games into Group I State Championship Tournaments before losing the fifth game by a close score of 4-2 to Chatham Borough.

In addition, the varsity team also captured second place in the Freedom Division despite a slow start in which they either lost or tied in their first few games.

This major turnabout was contributed to excellent defense and key hitting.

Named to the all-star team were Jim Darling, Bill Rawls, and Bert Stinson.

Kneeling: S. Howell, K. Johnson, R. Phillips, T. O'Malley, J. Sadlier, P. Irwin, J. Carter, S. Rothblum, Standing: J. Murphy, A. Holben, M. Solan, R. Case, P. Wooden, D. Gakeler, D. Montagno, M. Paglione, Mr. Ballard

# 1980 Merlin - A Challenge

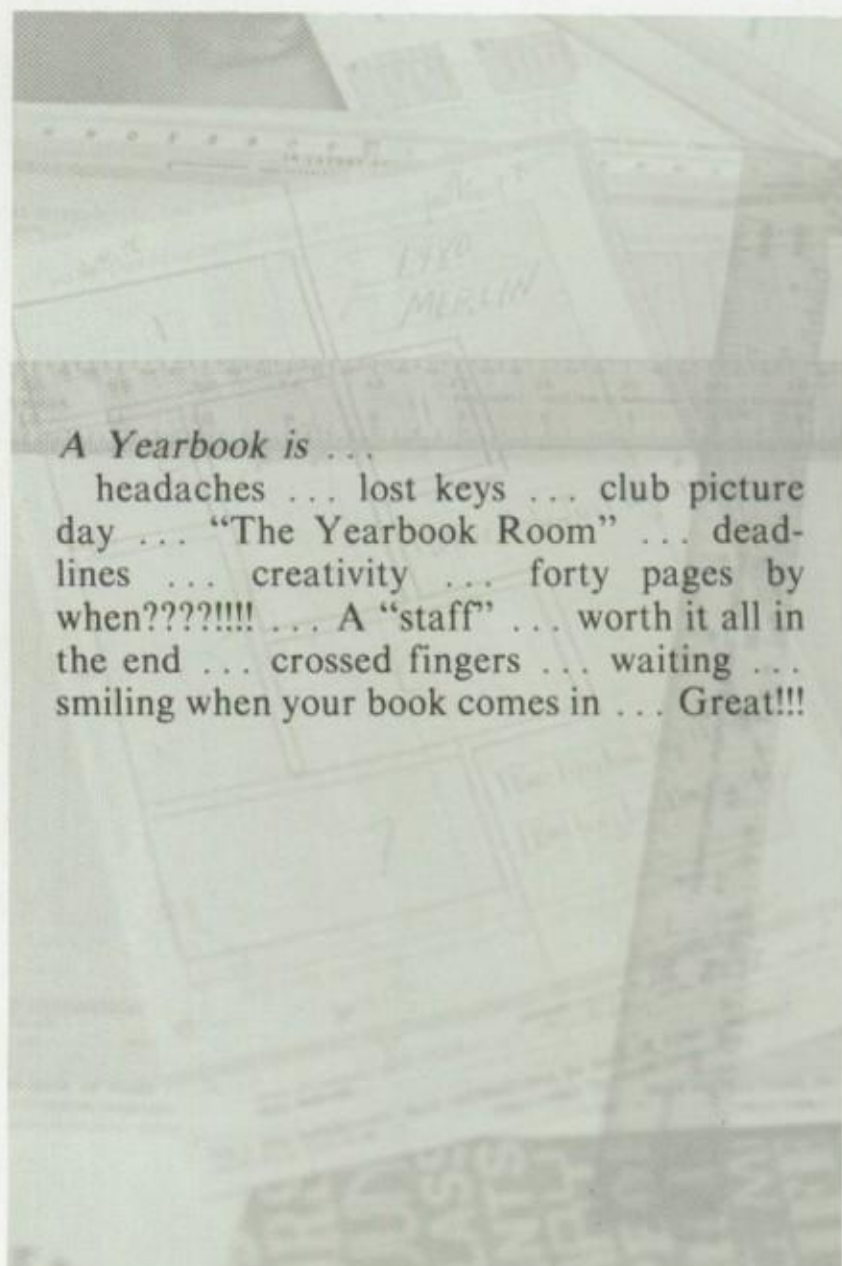

Gary Hancock, Jeanne Jones: Co- Editors-inChief

I would like to apologize to all those who, for the last year, have listened to about a million gripes and complaints over this book. I hope everyone enjoys this year's *Merlin* and will remember these years for a long time to come. A special thanks to Jeanne Jones who was invaluable to the planning of this book, and Mrs. Gianquilio's fourth period typing class.

Boy's and Girl's State are two endeavors held during the summer which attempt to teach qualified students the state governmental system. Through mock debates, elections, and campaigns, a better understanding of our government is achieved.

# *Falcon Staff*

A totally re-organized staff, new editors, and a new advisor have been the reasons for this year's excellent editions of the Falcon. The well written articles keep the school informed as to what's happening.

# *Model Congress*

Taking a new approach to the whole program, Model Congress is looking forward to a very succesful presentation by B. T. at Stockton State College. The program, in which students write and present their own legisla-  
ture, is a very educational experience as well as a good time for all involved.

## CHARLEY'S OTHER BROTHER

Route 537 — Jobstown Rd.  
Mt. Holly, New Jersey 08060

Hey Sis,

What's up!

I figured I might as well take up a lot of space since no one else wrote in this cheap 65¢ 45¢ book.

I miss having you big mouth around telling me to take up my clothes, do the dishes and so on... No seriously I really miss having you around. The house really seems empty!!

I'm glad Allen & you got married. You two ~~are~~ really make a good pair. Two BIG MOUTHS!!

I hope you two stay together a long time cause I like my new brother-in-law and his whole family

really my new adopted  
family.
